Dear Investor,

Old Mutual Maximum Return Fund

Please be informed that following a successful ballot, the Financial Service Conduct Authority (FSCA) approved the structural and investment policy change of the Old Mutual Maximum Return Fund of Funds. The fund will going forward fulfil its mandate by investing directly in a combination of SA and global equity and non-equity securities, as well as potential limited exposure to participatory interests in Collective Investment Schemes. The fund will no longer gain exposure into underlying Collective Investment Schemes only.

Please note the new approved name change:

For any questions or queries pertaining to this you may email unittrusts@oldmutual.com.

Kind regards,

Deon Wessels
